

Dear Families,

I would like to take this opportunity to introduce myself. My name is Victoria Gutierrez and I am the new School Counselor at Oak Hills Elementary.

My passion for school counseling began throughout my eight years of experience in working with students in different educational roles. I earned my Bachelor of Arts in English from California State University, Los Angeles. I then earned my Master of Arts in Educational Counseling and Clinical Counseling from Azusa Pacific University. What I love most about the elementary level is the genuine curiosity students have in their learning and the world around them; as well as the opportunity for early intervention support that can have a lifetime positive impact on a child.

As a School Counselor, my primary responsibility is to promote the academic, career, and social/emotional development of all students. I look forward to offering support to the Oak Hills Elementary students, teachers, staff, and families. I will be having counseling sessions with students individually and in small groups, facilitating virtual social groups, meeting with parents, and collaborating with teachers and staff to help support and meet the needs of students.

I am here to advocate for all students. If you ever have any questions or concerns, please do not hesitate to email me at vigutierrez@newhallsd.com any time.

I am excited to work with your children and get to know them throughout the school year!

All the best,

Ms. Gutierrez

School Counselor
